

## **ESG policies**

**GARim SICAV-SIF World Equity** and **GARim SICAV-SIF Global Allocation** (the SIF's) are a mainstream product according to article 6 of the SFDR.

The SIF's do not trigger sustainable risks either. Temporary situations leading to fewer portfolio risk shall be permitted, however, these situations shall not overturn the investment policies.

### **No consideration of adverse impacts of investment decisions on sustainability factors**

They do not fall within the ESG criteria. The underlying investments to this investment's products do not rely on the EU criteria for sustainable economic activities.

The SIF's will not consider principal adverse impacts.
